

Important Dates

We understand wholeheartedly how busy the lives and schedules of our dance families can get as the year rolls on, so we have tried to get all of our important dates organised and ready for you, so you can plan other commitments. Below we have listed some of our most important "Save the Dates" with more information (including times, costumes, requirements, etc.) to be communicated via email and Facebook as we get closer to the events. All important events will be on your parent portal calendar. If you know ahead of time that your family will be unable to attend these events due to planned holidays or existing commitments, please let our office know at your earliest convenience.
